# HELLO!

We hope you enjoy this copy of our new 2023 brochure, which offers a comprehensive overview of our main product range. We are delighted to be offering the fantastic EU made SleepAngel infection control range of products including pillows, duvets, wheelchair cushions, etc.

We are a family firm, and the whole essence of our company is to give the best service we can to you our customer, basically I can sum this up in three words... **just ask us!**

You can email, telephone and speak to a person (no automated switchboard here), or drop us a letter. This brochure does not cover our full range, if you cannot see what you need; just ask us.

We look forward to being of service to you.

Yours sincerely,

**Stephen Spencer**  
Managing Director

Available in black or white

**Application:** Cut tape to desired width and length. Machine or hand sew around edges and backstitch to secure.

For best results sew hook fastener to side of garment that faces away from the skin. Fastener can be washed or dry cleaned. If possible, close fastener when laundering to minimize lint and thread build-up on fastener.

**Colours:** Good range available in most widths, please ask for details.

Prices are per single side. Please specify colour when ordering.

VELCRO® brand flame retardant products are flammability tested to F.A.R. 25.853.

## VELCRO® Brand ONE-WRAP® Straps

Reusable and flexible, patented VELCRO® brand ONE-WRAP® self-gripping fasteners are a unique back-to-back fastening system. VELCRO® brand ONE-WRAP® straps wrap around objects to be bundled or controlled, and then the remaining strap tip attaches back onto itself for a neat and secure closure without buckles or hardware.

VELCRO® brand flame retardant products are flammability tested to F.A.R 25.853.

**For cut-to-length reusable ties:**  
Cut tie to desired length. Wrap tie around item to be secured. Fasten tie by positioning over itself.

## ONE-WRAP® Straps Cable Management

VELCRO® brand cable wraps make it easy to secure cables, wires and cords. This easy to use fastener adheres to itself for a firm hold. Great for power cords, camping, and organizing a variety of indoor or outdoor items. VELCRO® brand cable wraps are easily adjustable and reusable.

### Cable Manager Ties 12mm x 200mm

<b>MULTI-COLOURED</b>	T0947
£2.98 (ex. VAT)	per 5 ties
£3.58 (inc. VAT)	per 5 ties
<b>BLACK</b>	T0948
£2.98 (ex. VAT)	per 6 ties
£3.58 (inc. VAT)	per 6 ties

**Application:** Secure to cord by inserting rounded end through hole in strap and pulling tight. Wrap tie around cords and back onto itself to secure.

ONE-WRAP® tape is the safe, reusable, adjustable alternative to plastic cable ties making it a more sustainable product for the environment. Avoid pinching fibre optic cables and degrading their performance. Our ties do not over tighten. Save time and money by not having to cut and waste plastic ties when wires need to be added, removed, or re-positioned.

VELCRO® brand flame retardant products are flammability tested to F.A.R 25.853.

### Straps 20mm x 200mm

<b>BLACK</b>	T0892
£100.22 (ex. VAT)	reel of 750
£120.26 (inc. VAT)	reel of 750

### Straps 25mm x 300mm

<b>BLACK</b>	T0894
£192.26 (ex. VAT)	reel of 750
£230.83 (inc. VAT)	reel of 750

ONE-WRAP straps are available in:

### Flame retardant straps 13mm x 200mm

<b>BLACK</b>	T0891
£90.00 (ex. VAT)	reel of 750
£108.00 (inc. VAT)	reel of 750

### Flame retardant straps 20mm x 200mm

<b>BLACK</b>	T0893
£105.00 (ex. VAT)	reel of 750
£126.00 (inc. VAT)	reel of 750

### Flame retardant straps 25mm x 300mm

<b>BLACK</b>	T0895
£197.36 (ex. VAT)	reel of 750
£236.83 (inc. VAT)	reel of 750

## VELCRO® Brand Heavy Duty Stick On Strips and Tape

Heavy Duty Self Adhesive VELCRO® brand fasteners with heavy duty adhesive are recommended for indoor or outdoor use on most smooth surfaces, including plastic.

### 50mm wide

<b>BLACK</b>	T0945
<b>WHITE</b>	T0946
£27.26 (ex. VAT)	per 5 metres
£32.71 (inc. VAT)	per 5 metres

**Application:** Clean and dry surface before application. Peel tape from fastener and press firmly into place. Adhesive reaches maximum strength after 24 hours.

Not recommended for fabrics, dashboards, flexible vinyl, or underwater use. Continued exposure to full sunlight can damage fastener.

## VELCRO® Brand Fabric Sheeting

This sheeting is for use with hook, ideal for notice boards, tabards etc. Black stocked as standard. Other colours subject to availability, please ask.

### 1400mm wide

<b>25 METRE ROLL</b>	T0869/25
£299.00 (ex. VAT)	per 25 metres
£358.80 (inc. VAT)	per 25 metres
<b>1 METRE</b>	T0869
£15.00 (ex. VAT)	per metre
£18.00 (inc. VAT)	per metre

### Flame retardant 2050mm wide

<b>ALFATEX</b>	T0864
£23.62 (ex. VAT)	per metre
£28.34 (inc. VAT)	per metre

VELCRO® brand flame retardant products are flammability tested to F.A.R 25.853.

## VELCRO® Brand Plant and Tree Ties

VELCRO® brand plant and tree ties provide support for your most delicate plants, as well as the rebels that have a bit of trouble staying upright on their own. Not only is the super soft fabric gentle on stems, but our clever hook and loop system means you can easily re-wrap the tie as your plants bloom.

### Plant Tape 12mm wide

<b>GREEN</b>	T0959
£2.08 (ex. VAT)	per 5 metres
£2.50 (inc. VAT)	per 5 metres

### Tree Tape 50mm wide

<b>GREEN</b>	T0960
£4.26 (ex. VAT)	per 5 metres
£5.11 (inc. VAT)	per 5 metres

### Garden Cable Manager Ties 12mm x 380mm

<b>GREEN</b>	T0961
£3.82 (ex. VAT)	per pack of 6
£4.58 (inc. VAT)	per pack of 6

These multifunctional ties are for more than tidying – use them to hang fairy lights, bird feeders and wind chimes for a secure finishing touch to any outdoor space.

## VELCRO® Brand Dispenser Boxes

VELCRO® brand dispenser boxes are ideal for low volume use, and keeping your item clean, dry and ready to use. VELCRO® brand sew on tape is the quick and easy way to create a fastening on your fabrics, whether you're making a coat, cushion case or clothing for your dog.

### Sew on tape hook & loop 20mm wide

<b>WHITE</b>	T0974
<b>BLACK</b>	T0975
<b>BEIGE</b>	T0976
£16.17 (ex. VAT)	per 10 metres
£19.40 (inc. VAT)	per 10 metres

### Sew on tape hook & loop 50mm wide

<b>WHITE</b>	T0985
<b>BLACK</b>	T0986
£26.38 (ex. VAT)	per 10 metres
£31.66 (inc. VAT)	per 10 metres

## VELCRO® Brand Easy Hang Straps

### Small 25mm x 430mm

<b>40KG LOAD*</b>	T0789/S
£6.00 (ex. VAT)	per strap
£7.20 (inc. VAT)	per strap

### Large 25mm x 830mm

<b>120KG LOAD*</b>	T0789/L
£8.40 (ex. VAT)	per strap
£10.08 (inc. VAT)	per strap

### Medium 25mm x 630mm

<b>80KG LOAD*</b>	T0789/M
£7.10 (ex. VAT)	per strap
£8.52 (inc. VAT)	per strap

\*load weight refers to strap only.

What the strap is attached to is beyond our control and we recommend testing to ensure suitability.

## VELCRO® Brand Adjustable Strap

Easily transport your treasures or keep those misbehaving objects neatly bundled and firmly in one place. Our straps are easy to use – just wrap and press to secure, it's that simple.

### 50mm x 920mm

<b>BLACK</b>	T0954
£4.68 (ex. VAT)	per strap
£5.62 (inc. VAT)	per strap

### Stretch 25mm x 680mm

<b>BLACK</b>	T0955
£5.54 (ex. VAT)	per pack of 2
£6.65 (inc. VAT)	per pack of 2

### Carry 50mm x 1800mm

<b>BLACK</b>	T0956
£7.66 (ex. VAT)	per strap
£9.19 (inc. VAT)	per strap

### 25mm x 920mm

<b>BLUE</b>	T0957
£4.68 (ex. VAT)	per pack of 2
£5.62 (inc. VAT)	per pack of 2

### 25mm x 460mm

<b>BLUE</b>	T0958
£3.82 (ex. VAT)	per pack of 2
£4.58 (inc. VAT)	per pack of 2

Coats® Gral is a lubricated polyester thread made from pre-stabilised high tenacity continuous filament polyester. The soft finish with superior low friction lubrication reduces the effects of needle heat and abrasion. Gral's good abrasion resistance, higher breaking strength and optimum stretch characteristics produces attractive, fine seams on leather footwear and leather goods.

Coats® Astra is a lubricated super high tenacity 100% staple spun polyester thread which has a uniform construction and is resistant to sunlight and chemical degradation. It is an exceptional thread of its type with dependable sewing performance in high-speed and critical sewing operations.

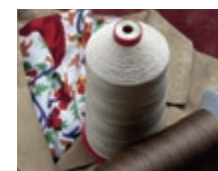

Coats® Gramax is a continuous filament textured polyester thread. The textured filaments give the thread a soft feel and make it ideal for use on overlocking and cover seaming machine loopers to provide softness, and it gives high extensibility and seam strength resulting in good seam security and low shrinkage characteristics, which ensures no seam distortion after washing. Comfort especially in "next to the skin" seams.

Coats® Aptan is a lubricated nylon thread made from pre-stabilised continuous filament nylon 6.6. Coats® Aptan is an excellent sewing thread for all types of leather and offers excellent abrasion resistance. It incorporates a soft finish with a superior low friction lubrication which reduces the effects of needle heat and abrasion.

Coats® Dual Duty offers excellent wash-down characteristics making it ideal for jeans. Its main uses are fine cotton, denim shirts and suits, fine fabrics and lingerie. In thicker counts it is suitable for use in making leather goods, towels and home furnishings as well as classic jeans and outdoor wear.

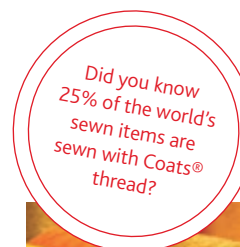

Coats® Terko Satin is a cotton wrapped polyester corespun thread with a glaze finish. Terko Satin combines sewing performance of cotton with the superior strength and elongation characteristics of continuous filament polyester. The cotton wrap protects the polyester core from needle heat even in the most demanding of applications. The glaze finish binds together the fibrous surface of the thread and creates a lustrous finish with enhanced abrasion resistance.

Coats® Nylbond is a bonded nylon thread made from pre-stabilised continuous filament nylon 6.6. Nylbond cuts cleanly at thread trimming with no ply separation and provides superior abrasion resistance in the sewn product. The proprietary bonding technology yields a tough uniform bond with exceptional peel strength in a soft, supple construction.

Coats® Moon is a perfect overlocking thread, great performance at low cost.

Coats® Epic is a high tech corespun thread that combines a high tenacity polyester filament core with a polyester fibre wrap to make a versatile and reliable thread. It is ideal for delicate garments as well as jeans and work wear. Epic's specially formulated lubricant delivers excellent sewing performance at low tension under the most demanding of conditions.

### Benefits of Epic Protect anti-microbial thread:

- Enhances protection against bacteria & fungi
- Keeps products like furnishings & apparel sterile
- Prevents product deterioration
- Fights mould & mildew
- Stain resistant
- Inhibits odour causing bacteria
- Provides peace of mind & enhances production quality
- Same high sewing performance as all Coats® threads

## Notes

# SleepAngel® – Safe Sustainability with Unique Filter Innovation

More information about the SleepAngel® range and full supporting documentation is available on request.

Healthcare Associated Infections (HAI) combined with antibiotic resistance is a global challenge. One of the oft-overlooked areas in the infection prevention and control work is soft surfaces – a likely vector for infection.

The introduction of SleepAngel® Medical barrier bedding with PneumaPure® filter technology alongside an audit protocol which considers their serviceable condition, is a simple, and prudent measure for this problem.

## Unique filter technology

The patented SleepAngel Medical bedding range with PneumaPure® filter technology is clinically proven to block pathogens\*, allergens, microbes, and mould.

It is the world's first barrier bedding range to combine absolute barrier protection with airflow.

Durable, soft touch and high-performance textile that blocks out contaminants. Vapour permeable and waterproof.

Heat sealed seams provide complete barrier – no stitching holes.

Breathable mechanical filter that allows clean air flow into the pillow but blocks out pathogens and allergens.

Certified as Class I Medical Device in the EU  
Registered Class I Medical Device with the  
FDA Approved and registered with the SFDA

## Barrier components

- PureShield fabric protection: durable, soft touch and high performance textile, that blocks out contaminants. Vapour permeable and waterproof;
- SafeWeld seams: heat sealed seams provide complete barrier – no stitching holes;
- PneumaPure® filter: Breathable mechanical filter allows clean air flow into the pillow, but blocks out pathogens and allergens.

## Easy to clean, safe to use

- For normal cleaning use mild detergent and water solution, avoid abrasive scrubbing of the filter and fabric;
- Do not bleach, do not machine wash, do not dry clean, do not tumble dry, do not iron;
- Follow instructions for the best result.

## Tested and proven innovation

Test certificates:

- Barrier to Human Coronavirus 229E test certificate (used as a representative for the Coronavirus family)
- Barrier to bacteria, fungi, and viruses test certificate

\*Tested pathogens include: MRSA, C. difficile, E. coli, Pseudomonas aeruginosa, Candida albicans, Aspergillus niger, Norovirus, Influenza Type A, Adenovirus 5, Coronavirus 229E (HCoV 229E)

## Certified by Airmid Healthgroup

SleepAngel® PneumaPure® filter technology is developed in cooperation with leading European laboratory Centexbel and tested independently by Airmid Healthgroup.

- Certified as Class I Medical Device in the EU
- Registered Class I Medical Device within the FDA
- Approved and registered with the SFDA

\*\*Patent no EP1222886

# SleepAngel®

The SleepAngel® range of pillows soft surfaces, cushioning devices and bedding products provide a clinically proven barrier to contamination. The patented PneumaPure® filter technology enables the pillow to ventilate, so it is comfortable, but prevents the passage of liquids and airborne pathogens.

Plastic moulded vislon open end

# Zip Fasteners

# YKK

The VISLON® zipper is made of injected plastic elements, such as polyacetal resin. Rich element colour variations are created by formulating the colour pigment during the injection process.

Two way separator perfect for jackets, allows the jacket to be closed, yet the wearer can adjust the bottom slider to allow free movement, for example on a full horse riding coat.

Plastic moulded vislon 2 way (X) open end

Robust and lightweight, these zips are ideal for outdoor clothing such as walking and motorcycle clothing.

Full YKK® colour range available, see page 39.

## R Point – Regular Round Point:

Most common for all kinds of lockstitch applications, particularly for woven fabrics, artificial leather, coated fabrics. **Example:** Quilts, shirts, trousers, woven garments.

## FFG/SES – Light Ball Point:

For knitted fabrics and for wovens.

**Example:** T-Shirts, underwear, fine sweaters, quilts made with knitted fabric.

Our thanks to Groz-Beckert® for allowing us to use their data.

## Needle system

With equivalent designations (max. 3 descriptions).

## Production number

Allows an internal backtracking of all production steps of the needle. In addition, this number is required for the manual entry into the scanner.

## Needle size

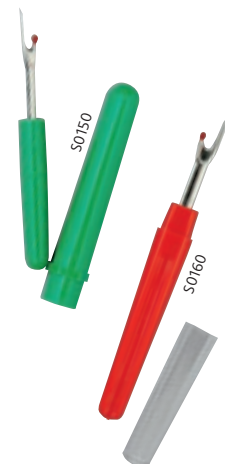

In Nm and other size descriptions.

## Data Matrix code

The myGrozBeckert app contains a Data Matrix code reader.

## Point style

Most needle systems can be supplied in different point styles, suitable for sewing any material from finest cloth to heaviest leather.

## Webbing and Tape

We have been supplying a range of webbings and bindings to the medical industry for over 35 years.

### Polyester Webbing

<b>Non Tangle, 19mm</b>	<b>W0132</b>
£10.66 (ex. VAT)	50 metre roll
£12.79 (inc. VAT)	50 metre roll

### Tying/Binding Tape

<b>Size Indicator, 22mm</b>	<b>W0135</b>
£48.60 (ex. VAT)	100 metre roll
£58.32 (inc. VAT)	100 metre roll

W0135 is available in brown (M), navy, orange (XXL), pink (XL), red (XXXL), white (L) or yellow (S). Perfect for identifying the size of garments ie scrub suits. Colours have size printed on.

### Potential Applications:

- Patient moving and handling
- Hoist tapes
- Patient lifting slings
- Wheelchair safety straps

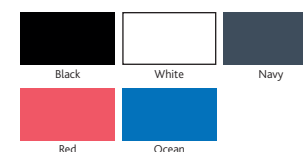

### Types of Webbing

- Standard polyester webbing
- Textured polyesters

### Advantages

- High resistance to temperature (does not shrink)
- Colour fastness
- Low extension
- High comfort
- Large range of shades

Colours are subject to availability.

### Polypropylene Webbing

<b>25mm</b>	<b>W0410</b>
£12.16 (ex. VAT)	50 metre roll
£14.59 (inc. VAT)	50 metre roll

<b>38mm</b>	<b>W0415</b>
£19.44 (ex. VAT)	100 metre roll
£23.33 (inc. VAT)	100 metre roll

<b>50mm</b>	<b>W0420</b>
£22.10 (ex. VAT)	100 metre roll
£26.52 (inc. VAT)	100 metre roll

<b>100mm</b>	<b>W0424</b>
£91.64 (ex. VAT)	100 metre roll
£109.97 (inc. VAT)	100 metre roll

<b>Black, 100mm</b>	<b>W0425</b>
£49.47 (ex. VAT)	50 metre roll
£59.36 (inc. VAT)	50 metre roll

<b>Tubular Black, 100mm</b>	<b>W0426</b>
£65.00 (ex. VAT)	50 metre roll
£78.00 (inc. VAT)	50 metre roll

### Properties of polypropylene:

High tenacity strength (up to 7g/den); Elongation up to 25% at break point; Good resistance to abrasion; Not affected by moisture (it is lighter than water and will float); Melting point is 160°C (not suitable for high temperature applications); Low temperature resistance is very good maintaining strength and flexibility down to -70°C; Inert to most common chemicals (not suitable for chemical resistance applications).

Polypropylene webbing is available in a range of colours and is excellent for producing webbing with coloured stripes. It is highly resistant to chemicals and is a very popular fibre.

\*T0430 Made in Taiwan

# Terms and Conditions

## SUITABILITY OF GOODS

Because of the variety of uses our goods can be used for, Customers need to ensure that Spentex products are fit for the purpose and processes (laundering, manufacturing etc.) they intend to use our products for. With this in mind, we offer a sampling service for customers to try before they buy (there may be a charge for expensive items). We do urge customers to make use of this service, and ask a questions or express concerns before using our products. Data sheets are available on request.

## MACHINE WASH

Please note there are no reds which are absolutely fast dyed, and in line with the general trade, we can give no warranty on these colours. We are happy to supply a sample for you to do a test wash.

## CE UKCA MARKING

We have investigated this; as far as we can tell CE/UKCA marking applies to complete products, and applies to the manufacturer of the item. Our products tend to be used as components such as zips, thread etc., to the best of our knowledge, and those in the industry we consulted, Spentex products are not covered by any known EU Directive that we can locate. We can offer full traceability of items stocked since January 2010 (when we became ISO9001 compliant), and we will constantly review the CE situation.

## PRICES

Although every attempt will be made to maintain prices the company reserves the right to increase list prices subject to suppliers' price increases or change of supplier to maintain an efficient service. Prices are shown in pounds sterling. Prices correct at time of going to press.

## CLAIMS FOR SHORTAGES, DAMAGE OR NON-RECEIPT

Shortage claims should be reported within seven days of delivery or seven days of invoice date for non-receipt of goods otherwise claims cannot be accepted. Due to a change in carrier's insurance terms and conditions, damaged parcels must be signed for as damaged at the time of delivery and Spentex B.C.A Ltd must be notified within 24 hours. The parcel must be retained for inspection. Otherwise, claims for damage in transit may be void.

## RETURN OF GOODS

The company must be notified before any goods are returned. Unfortunately, we cannot accept the return of items specially made for an individual customer's requirements, unless of course they are faulty.

## FABRICS

Please check prior to cutting/processing to ensure:

1. Correct design, colour and fabric quality is supplied.
2. It is acceptable quality.
3. Once fabric has been cut, we cannot accept its return unless there is a fault with the dye or weave.

## MINIMUM ORDER

There is no minimum order, just one unit.

## UK DELIVERY – NO ZONE CHARGE

£7.85+VAT on orders under £50+VAT.

## SAMPLES

Try before you buy – samples available on request. Complete items such as duvets are supplied on a sale or return basis, and must be returned in a saleable condition.

## PURCHASES BY INDIVIDUALS

We are often asked if we can supply our items to individuals such as NHS and Local Government staff. We are quite happy to do this at the same prices as shown in the catalogue, but we cannot offer account facilities. Payment by BACS only please.

## TITLE

All goods remain the property of Spentex B.C.A Ltd until paid for in full.

## INTEREST

In accordance with the Late Payment Act (2002) we reserve the right to add monthly interest at 8% over the Bank of England base rate on overdue accounts.

## TERMS

30 days NETT. Due to bank closures, paying cheques in is becoming increasingly difficult. Payment via BACS only please.

## VAT EXEMPTION FOR CHARITIES

HMRC will not accept VAT exemption certificates for any of our products, because they can not be considered solely for Medical Use.

## OUR BANKERS

NatWest Bank plc  
49 High Street  
Wetherby  
LS22 6LS
